Fern

Seating

Experience the best with Fern® ergonomic seating. Fern exemplifies nature’s design in a comfort breakthrough for world-class seating, putting the person at the center of work. The flexible back intuitively moves with you, while providing edgeless comfort. A high level of science, engineering, and innovation enables high performance and promotes well-being. The full complement of ergonomic adjustments are easy to find, reach, and use.

Features

- Patented Wave Suspension™ system provides total back support, from the neck down to the lumbar and pelvic regions
- Edgeless design provides responsive comfort and full range of movement
- Height-adjustable lumbar support accommodates any user
- 4D height-adjustable arms move fluidly fore, aft, side to side, and pivot
- Synchronized 3-point tilt enables comfortable, relaxed postures
- Pneumatic height adjustment relieves pressure on the back of the legs
- 5-position back stop adjusts from upright to reclined
- Forward tilt allows the seat pan to move 5° downward for upright postures
- Colors: 8 digital knit backs, 11 standard meshes, and 24 graded-in COMs
- Cleanable with soap and water or disinfecting wipes; bleach cleanable fabric, leather, and faux leather available
- Alta™ stain repellent or Alta Moisture Barrier may be added for enhanced cleanability and protection
